

Description of Advertised Solicitation

Solicitation No: DACA09-99-R-0007

Title: MULTIPLE AWARD TASK ORDER CONTRACT FOR CONSTRUCTION SERVICES IN SUPPORT OF THE U.S. ARMY ENGINEER DISTRICT, LOS ANGELES IN ARIZONA/NEVADA

Location: ARIZONA/NEVADA

Issue Date: 16-Feb-99

Bid/Due Date: 30-Mar-99

Price Range: \$500,000.00 - \$60,000,000.00

Media: Electronic

Contracting POC: Sandra Oliver-Hall (213) 452-3243 Synopsis

This procurement consists of one solicitation with the intent to award a maximum of two Task Order Contracts. Offerors will be required to submit a technical proposal with a separate price proposal. In addition large businesses will also be required to submit a Subcontracting Plan. The Government will award up to a maximum of two contracts resulting from this solicitation to the responsible offerors whose proposals, conforming to the solicitation will be the "Best Value" to the Government using a "TRADE-OFF" process, price and technical factors considered. The significant evaluation factors, which may be used for the evaluation of the technical proposals, are: Past Performance; Management Ability; Scheduling. These factors are not all inclusive. The contracting officer may award based on initial offers received, without discussions of such offers. The award may be made to the superior offer which is not the lowest offered price, but which is significantly more technically advantageous than the lowest offer so as to justify the payment of a higher price. Once a maximum of 2 contracts are awarded, the Government will compete the work among the contractors based on performance and/or other factors set forth in the contract. Each awardee will be provided a fair opportunity to be considered for subsequent task orders, except under those circumstances described in FAR 16.505(b)(2). Task orders under these contracts could be issued in one of the following methods: (a) Competitive (b) Sole Source, or (c) Time & Materials. The basic contract periods for these contracts will be for 12 months or until the maximum contract not-to-exceed amount of \$60,000,000.00 is awarded. The contracts will contain two 12 month option periods for a total maximum contract duration of 36 months or a maximum not-to-exceed value of \$60,000,000.00, whichever comes first. Each individual contract will be legally bound by the minimum guaranteed amount of \$500,000.00, and each option period, if exercised, will have a minimum guaranteed amount of \$250,000.00. The two contracts combined will have a total not-to-exceed amount of \$60,000,000.00. The contracts will have a maximum task order limit of \$15,000,000.00. The work will include construction, renovation, repairs, preventive maintenance and environmental abatement in Arizona/Nevada including installations under the jurisdiction or that become under the jurisdiction of the Los Angeles District during the life of these contracts. The contracts awarded under this solicitation are intended to provide a timely response to remediation/construction of real property (i.e., maintenance, repair, asbestos and lead-base paint abatement, removal of materials containing PCB's, and construction situations relating to, but not limited to, civil, mechanical, plumbing, structural, electrical, heating, ventilation and air conditioning (HVAC), instrumentation, security

and safety areas of Government facilities) in a cost effective manner. This procurement was previously advertised in the Commerce Business Daily on 3 November 1998 as a Sources Sought Notice. In accordance with Federal Acquisition Regulation (FAR), Subpart 19.7, the proposed acquisition will require that any large business submit a subcontracting plan which will set forth small, disadvantaged and women-owned business concerns subcontracting goals that are acceptable to the Government. The Los Angeles District Subcontracting goals are specific percentages of the contractor's total planned subcontract amount. The goals are as follows: 60% with small business; 10% with small disadvantaged business, and 5% with women-owned small business. A sample project will be identified in the Request for Proposals (RFP

Welcome to the US Army Corps of Engineers
Los Angeles District

Disclaimer:

The Government in no way supports or recommends these printing companies as capable of printing or downloading ".pdf" (Specification) or ".cal" (Plan) files. Additionally, the Government is not responsible for the accuracy or quality provided by these printing companies.

This list is open for registration by all printing companies who have the following minimum capabilities: (1) the capability to produce a hard copy of the plans (up to 28" X 40") and specifications (8 1/2" X 11") for all solicitations that are offered on the Internet and Compact Disk (CD). (2) this capability may include both downloading and reproduction from the CD, or just the ability to reproduce the files from the CD. This list is provided only to indicate that there are sources capable of providing hard copies from the media on which the Government issues its plans and specifications. If a potential bidder/proposer does not have the capability to reproduce a hard copy of the plans and specifications internally, then that business may want to explore at his own risk, the options that exist with these companies.
